Non-Liability Agreement

By signing below, I hereby acknowledge receipt of a copy of this Non-Liability Agreement, as of the date set forth below, next to my printed name.

1. I understand that any travel I undertake, or activities in which I participate with CERT International, involve inherent risks of damage to and loss of my personal property, as well of personal injury, illness or death. I further acknowledge that I understand the nature of these risks, and voluntarily accept such risks in consideration of CERT International permitting me to travel to and from, and participate in, CERT International mission activities.
2. I have been informed, and I understand, that travel, whether on common carriers or otherwise, as well as the paid or volunteer work that I may perform in connection with CERT International operations domestically and in foreign countries, involve an elevated amount of risk of: a) loss or damage to my personal property: and, b) that I may contract disease, suffer injury or other physical, mental and emotional harm, or be killed. The countries and locations in such countries, where CERT International operations take place, are subject to a greater risk of unrest, civil strife, war, insurrection, and terrorism, as well as kidnapping and other criminal activity. Such locations are sites of natural disasters, conflict, infectious disease, and have lower standards of sanitation and significantly less public safety facilities and personal available for my protection.
3. I acknowledge and agree that no person associated with, or speaking on behalf of CERT International has minimized any risk, or disavowed or contradicted anything contained in this Non-Liability Agreement, to induce me to travel to or from, or participate in any CERT International operation. I have carefully considered these risks to my person and property and have freely and voluntarily decided to assume such risks.
4. I acknowledge and agree that in the event the team leader, in the team leader's sole discretion, determines that my personal conduct or demeanor is disruptive to the mission and work of CERT International, that the team leader has the right, and responsibility to CERT International, to remove me from the team at any time during the mission. I further acknowledge and agree that all additional costs caused by my early departure will be at my personal expense and CERT International shall be under no obligation to reimburse me therefore.
5. This Non-Liability Agreement shall be construed and interpreted in accordance with the internal laws of the State of Tennessee.
